PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT,
OR, IN THE ALTERNATIVE,
PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED APPLICATION
UNDER 37 C.F.R. §1.137(b)

Sir:

In response to the Notification of Abandonment dated January 8, 2007 (received on January 25, 2007), in the above-identified application, and in accordance with Delgar, Inc., v. Schuyler (172 USPQ 513) (DDC 1971) and 37 C.F.R. §1.137(b), Applicant respectfully petition for withdrawal of the holding of abandonment.

The above-identified application became abandoned because the Submission of Declaration, dated March 8, 2006, and the Paper, dated June 13, 2006 (attached hereto as "Exhibit 1" and "Exhibit 2", respectively), were filed with the incorrect U.S. Patent and Trademark Office application serial number. Instead of Serial Number 10/564,550, Serial

Number 11/564,550 was noted on the cover sheet. All other information was correctly noted.

Also, all information on the submitted executed Declaration was correct.

The entire delay in filing the required reply to the Notice of Missing Requirements Under 35 U.S.C. §371 in the United States Designated/Elected Office (DO/EO/US), dated May 22, 2006, from the due date for the reply until the filing of a grantable petition under 37 C.F.R. §1.137(b) was unintentional.

Further, it is noted that the Submission of Declaration with attached Declaration (Exhibit 1) included the correct name of inventor, invention title, application filing date, and docket number.

Further, the Declaration also contains the correct PCT Application Serial number (PCT/JP2004/010430) with noted foreign priority application number (2003-198612).

Further, a copy of the "Notification of Missing Requirements Under 35 U.S.C. § 371 in the United States Designated/Elected Office (DO/EO/US)" bearing the correct serial number was attached to the filed Paper.

Further, it is noted that the submission (filing) date for this application is January 13, 2006, and most applications filed after December 1, 2004 (Serial No. 10/999,999 was filed on December 1, 2004), are given a serial number in the "11" series, not the "10" series.

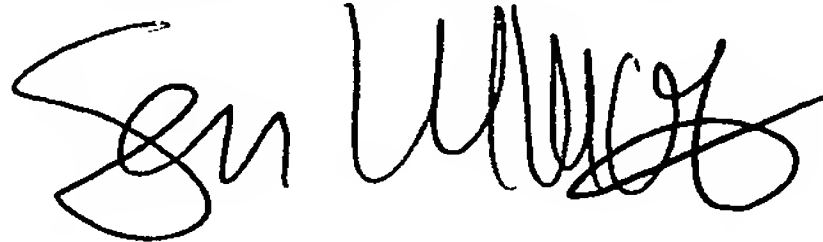

Further, it is believed that since this error could have been prevented by a simple review of the filed documents by the U.S. Patent and Trademark Office, no fee is believed necessary. In sum, Applicant petitions for withdrawal of the holding of abandonment or, in the alternative,

Serial No.: 10/564,550
